### Description:

The entrance to this State Park is from SR 4 and is well signed. There is a daily usage fee and ample parking throughout the park. The flower survey list covers the entire park, but some species are only found in certain locations. In addition to the very nice flower displays be sure and visit some of the giant sequoia groves that make this park special.

## Trailhead Directions:

An excellent map is available at the entrance that shows all of the major trails within the park.
